Announcement of East Sonora Bypass Stage 1 Construction

WHEN AND WHERE

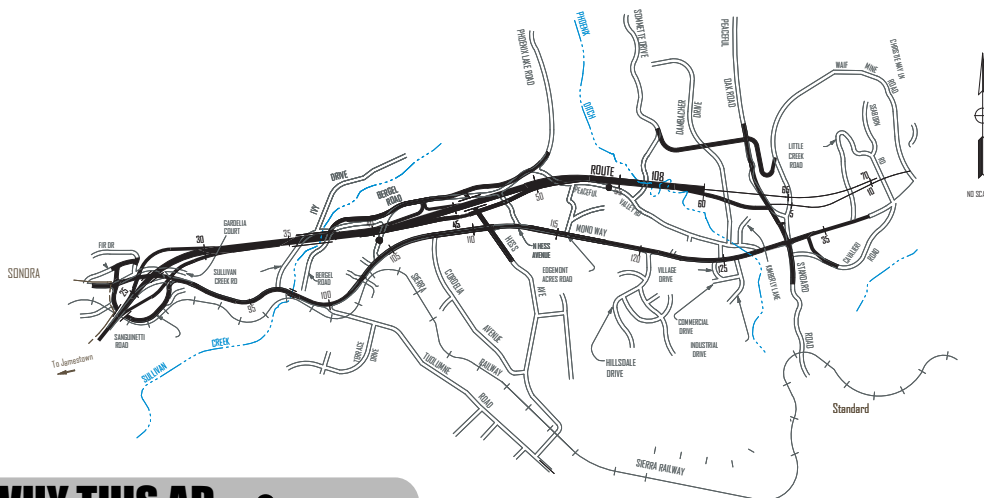

Date: Wednesday, April 10, 2002

Time: 4:00 p.m. to 8:00 p.m.

WHAT'S BEING PLANNED

**Place: Opera Hall, 250 S. Washington St.
Sonora, CA 95370**

Caltrans (California Department of Transportation) in coordination with the Federal Highway Administration, County of Tuolumne, and the City of Sonora, is entering its second construction season. This project will relieve interregional congestion on Route 108 in East Sonora in the County of Tuolumne. The project will construct a two-lane expressway on new alignment from west of Sanguinetti Overhead to Standard Road, a distance of about three miles. Construction will also include widening and rehabilitation work on existing Route 108 (Mono Way).

WHY THIS AD

A Public Information/Open House meeting will be held to give the public an opportunity to learn more about what can be expected with the upcoming construction activities.

WHAT'S AVAILABLE

Construction plans and other project information will be available for viewing. Caltrans specialists in engineering, construction, design, and right-of-way will be available to discuss individual concerns and answer questions, regarding the stage construction of this project. The public is invited to attend between 4:00 p.m. and 8:00 p.m. No formal presentation will be made.
